

## **Benediction for March 19th**

God, our healer. Source of all good.  
Continue to guide us  
through this Lenten season.  
Carry and sustain us by your grace.

Tear down the walls we've built  
To separate ourselves from you,  
and from one another.

Storm the gates, O Lord.  
Shining your light into  
our hiding places.

Open our hearts  
To hope and transformation.  
Lead us to surrender.

That we might go forth,  
today, and each day hereafter,  
Bearing ever more of your likeness;  
More of who you've made us to be.

We pray as a family in Your holy name,  
worthy of all glory and honor.  
Almighty. Risen One. Spirit of Life.  
Amen.
