

## **Benediction for March 18, 2018**

Pharaoh has seen Your might.  
The magnificent horror of Your wrath.  
The breath of Your anger.  
He now knows fear.

We, Your people,  
Witness to Your majesty and mercy,  
Pharaoh can no longer claim.  
Your awesome grace has shattered these chains.  
They are but grains of sand at our feet.

You, our Triumphant Lord, have set us free:  
Our feet, to walk in Your service.  
Our hands, to build Your kingdom.  
Our mouths, to praise Your name.

Our thirst, once great,  
Now and forever quenched  
beneath your everlasting reign.
