

Benediction for November 20th

The benediction is inspired by Psalm 139

O Lord,

We invite you into the depths of our hearts
So that we might see your glory
and experience your power.

We are a people that rejoice in your presence
We are guided by the work of your hand
We taste and see your goodness and mercy

Search our hearts
Lead us into the way of everlasting
The way of grace, love and rest.

Ecclesia,
Go in Peace.
