

## **Benediction for February 25th, 2018**

A song of Moses.

We sing. We celebrate.

For God has triumphed in glory.

Just as you have delivered Israel from slavery,  
and brought your people across the Red Sea,  
you have rescued us.

Who compares to You, O Eternal?

Who compares to You—great in holiness,  
awesome in praises, performing marvels and wonders?

With Your loyal love, again lead your people whom You have redeemed;  
and with Your great strength, guide us to Your sacred dwelling.

For the Eternal will reign *as* King forever and always. Amen.

Ecclesia, go in peace.
