

## **Benediction for November 27th, 2016**

Go forth, brothers and sisters, to worship fully.

Like Mary, we will sing to our Redeemer.

Like Joseph, we will obey without regard to the cost.

Like the shepherds, we will trade our busyness for worship.

We will stand in the glow of God's divine light,

Which drives away the darkness of worldly empires,

and all that seeks to ensnare our hearts.

We will celebrate and sing,

Dance and pray,

Meditate and Love.

We will enter into the story that means joy for all people.

We will wait, and pray.

Three words upon our lips.

Come, Lord Jesus.

Come, Lord Jesus.
